"Mercy"

I love you mercy, mercy.
Oh, you know, you're such a beautiful thing.
You're laying kisses on me girl
All you know all the pleasure it brings,
Ah, ah, ah, ah.
You're spending all my money,
And you're making me crawl up the wall.

Mercy, mercy
You're doing me without any mercy at all,
And I'm calling you:
Have mercy, mercy have mercy on me.
Have mercy, mercy, mercy on me.

A man's supposed to be stronger
And is used to getting his way, ah,
But mercy girl you got my number,
And I'll do any thing that you say.
But stop playing with me.
Have mercy, mercy have mercy on me.
Have mercy, mercy, mercy on me.
