If you are mine
Come on girl
And give me the sign
I need affection
Come on baby
Supply the direction
Come on

Pinch me, baby, pinch me
Come on and convince me
Pinch me, baby, pinch me
Come on and convince me

Don't tell me stop
When I'm on my way to the top
I wanna groove
So come on baby
And make your move
Come on

Pinch me, baby, pinch me
Come on and convince me
Pinch me, baby, pinch me
Come on and convince me

Do do do do
Do do do do
Do do do do
Do do do do

It feels so fine
We got to do it
One more time
It's nothing new
You pinch me
And I'll pinch you
Come on now

Pinch me, baby, pinch me
Come on and convince me
(Alright)

Pinch me, baby, pinch me
Come on and convince me
Pinch me, baby, pinch me
(Do do do do)
(Now do it girl)
Come on and convince me
(Do do do do)
Pinch me, baby, pinch me
(Do do do do)
Come on and convince me
(Do do do do)
