The common road seems just like a dream  
It's a mystery to me  
Fills me within when we're together  
Oh, baby, can't you see?

I, I'd like to feel the passion  
To the point of no return  
I will be in full reaction  
I'm gonna take you in my arms

CHORUS:

You're taking me to the point of no return, oh oh oh  
You're taking me to the point of no return, oh oh oh

It took so long, well I treasure now,  
The love you gave to me  
And when you smile, it warms my heart in need  
Oh, baby, can't you see?

I, I'd like to feel the passion  
To the point of no return, oh, baby  
I will be in full reaction  
I'm gonna take you in my arms

CHORUS

INSTRUMENTAL INTERLUDE

I wanna be with you, baby (ooh-wah ooh-wah)  
I'm gonna be by your side (by your side)  
I wanna be with you, baby (ooh-wah ooh-wah)  
I'm gonna love you every night

CHORUS (2x)

You're taking me to the point of no return
