"When Angels Forever Die"

Lighting storms
Descend across the sky
Arrival of the horned
The coming of our lord
Lucifer
Thy legions are set free
Demon hordes
Awaiting his return

Dark age
Kingdoms lost in shadows
Fallen empires
Cursed by unholy lord
Bominions
Buried into ashes
Ancient realms forlorn
Into eternal darkness

Damned domains in darkness
Eclipse of land forlorn
Ruins of a kingdom gone
Once ruled by god

When angels forever die
When satan has arrived
When satan rules the world for eternity

Lighting storms
Descend across the sky
Arrival of the horned
The coming of our lord
Lucifer
Thy legions are set free
Demon hordes
Awaiting his return

Storms of damnation
Caress the mourning sky
Demon hordes from realms below
Show the mighty force of hell

When angels forever die
When satan has arrived
When satan rules the world for eternity
