I don't know what to do  
I don't know what to say  
I don't know what to feel... anymore

I don't know what you said  
I wasn't in your head  
I won't be left for dead... anymore

I don't know why you lie  
I don't know why I try  
I'll never say goodbye ... anymore

I don't know what it is  
That makes me act like this  
I'll never be the same... anymore

Chorus:  
I - must - have , a hole in my head  
Cause I - can't - keep , anything in.  
I - must - have , a hole in my head  
Cause I - don't - think, before I sin  
Before I sin, before I sin - with you.

I don't know who you are  
But I know who took the fall  
I don't know much at all.. anymore

I don't know wrong from right  
I don't know day from night  
I don't know how to fight .. anymore

Cause they took it all away  
When they buried me this way  
I'll never see the day.. anymore

Bridge:  
And all of the light is so far away  
I live in the darkness all through the day  
Stuck in this pine box underground

Praying my body will soon be found
