Awful sweet to be a little butterfly  
Just wingin' over things and nothing deep inside  
Nothing goin', goin' wild in you, you know  
You're slowin' by the riverside  
A-floatin' high and blue  
Or maybe cool to be a little summer wind  
Like once through everything and then away again  
With the taste of dust in your mouth all day but no need  
to know  
Like sadness  
You just sail away

'cause ya? know  
I don?t do sadness  
Not even a little bit  
Just don?t need it in my life

Don?t want any part of it  
I don?t do sadness  
Hey, I?ve done my time,  
Lookin? back on it all  
And it blows my mind  
I don?t do sadness  
So been there,  
Don?t do sadness  
Just don?t care

[Spoken interlude/Blue Wind]

So maybe I should be some kind of laundry line.  
Hang their things on me, and I will swing em? dry  
You just wave in the sun through the afternoon  
And then see, they come to set you free, beneath the  
rising moon

'cause ya? know // Spring and Summer  
I don?t do sadness // every other day  
Not even a little bit // Blue Wind gets so lost  
Just don?t need it in my life // Blowin' through the thick  
corn, through the bales of hay  
Don?t want any part of it // Spring and Summer

I don?t do sadness // Every other day  
Hey, I?ve done my time, // Blue Wind gets so lost  
Lookin? back on it all // Blowin' through the thick corn  
And it blows my mind // through the bales of hay  
I don?t do sadness // The wandering clouds  
So been there, // of the dust  
Don?t do sadness // spring and summer  
Just don?t care //
