Well, in comes the thing call
Rudebwoy nuh tek nuh check at all
One mistake and pon di ground yu head will fall
Spragga Benz pon di endz again, yeah

A nuh joke mi mek
Rudebwoy don't tek nuh check
One mistake can mean yu ownna death, inna yu head
Just one shot you haffi get
And yu end up down a madden

So rudebwoy tek mi talk
And always watch how you walk
Badness ain't no stroll in the park, yu wi dead
Nedda man will lock off yu heart
And yu lay down inna coffin

So mi tell yu
No, don't be slack, don't relax, get set to move
Always ready on yu P's and yu Q's
Seek a fence, tek di fence, don't watch di bruise
Just thank God a nuh yu life that yu lose

Pop it out, squeeze it off, while you a move
Don't be no target fi a next man a use
Don't get panic and act like nuh stooge
Tighten yu belt an lace up yu shoes and

Rudebwoy don't tek nuh check
One mistake could a mean yu ownna death, inna yu

Just one shot you haffi get
And yu end up down a madden

So rudebwoy tek mi talk
And always watch how you walk
Badness ain't no stroll inna the park, yu wi dead
Nedda man will lock off yu heart
And yu lay down inna coffin

If yu deh pon yu base or deh pon di border line
Have eyes inna yu head back all di time

Make sure seh yu alert, anything touch yu turf
Mek sure seh yu see them first

And if things a gwaan, don't get left behind
And don't be the fool with yu KG-9
'Cause one wrong move will mek yu skull burst
And yu lie down ina di hearse, a nuh joke mi mek

Rudebwoy don't tek nuh check
One mistake could a mean yu owna death, inna yu

And always watch how you walk
Badness ain't no stroll in the park, yu wi dead
Nedda man will lock off yu heart
And yu lay down inna coffin

[Incomprehensible]
Watch every light weh approach an a cruise
Rat patrol always travel inna two's
Try don't stand up fi a next man a move
Skin, flesh and bone is not bulletproof

Gunshot nuh talk, it no beg no excuse
Kill anybody, it nah pick and choose
Anyhow yu slip, man will lick out yu fuse
Pronounce you dead pon six o'clock news so

Rudebwoy don't tek nuh check
One mistake could a mean yu owna death, inna yu
head
Just one shot you haffi get
An yu end up down a madden

So rudebwoy tek mi talk
And always watch how you walk
Badness ain't no stroll in the park, yu wi dead
Nedda man will lock off yu heart
And yu lay down inna coffin

So rudebwoy will tell yu
Don't relax, don't be slack, get set to move
Always ready on yu P's and yu Q's
Seek a fence, tek di fence, Don't watch di bruise
Just thank God a nuh yu life that yu lose

Pop it out, squeeze it off, while you a move
Don't be no target fi a next man a use

Don't get panic and act like nuh stooge
Tighten yu belt an lace up yu shoes and

Rudebwoy don't tek nuh check
One mistake can mean yu ownna death, inna yu head
Just one shot you haffi get
