it's true what they say about me  
so put me in a cage and feed me pain  
i hate love and i love hate  
so do me a favour & get the fuck away

it's me they call disasterpiece  
accusing me of heresy  
what do they want from me  
it's a dog-eat-dog society

it's hard to make ends meet  
when life is filled with treachery  
it's hard to socialize  
we all were born lobotomized

bullshit backstabbing  
look at this life we're living  
bullshit backstabbing  
is all i hear  
bullshit backstabbing  
look at this place we're in  
bullshit backstabbing  
goes on and on and on

hypocrits i'll kiss your hands  
you have made me what i am  
i get backstabbed fucked up everyday  
now i'm fine i medicate

it's hard to make ends meet  
all i feel's anxiety  
it's hard to socialize  
we all were born lobotomized

get away now i've gotta get away  
i've been counting the days 'til i'm going insane

i was never designed to live this way  
with a bunch of motherfuckers always screaming at me  
fucked up 'til i'm ready to drop  
i've been down too long and it never stops  
is it never enough you're tearing me apart  
one day i'm gonna watch you rot  
fuck off!
