somebody waves a finger and  
they all shut up  
but i'll keep on screaming til  
i'm ready to stop  
can't hear what you're saying  
cause you're full of shit  
ram it down my throat  
i won't swallow it  
i won't listen to what you have to say  
if you don't promise that you'll listen to me  
you say that i should join in line  
but i say brainwash is a crime  
it's not a question of right or wrong  
it's a simple matter of weak or strong  
no no no i'm fed up with the shit you do  
no no no you're too fucked up to be true  
no no no i'll never bow for you  
no no no i won't accept to be a bitch like you  
you can't destroy me  
can't hold me down  
while i'm spreading my disease  
all over the town  
i'm sick of being told  
what i have to do  
there will always be  
motherfuckers just like you
