Damn! You're back, like a heartattack  
Living on the edge  
and my mind is black  
You're all so fine  
But I fuck up all the time

Driving you insane  
So get rip of the pain

I'm a living disease, too hard to please  
A lovesick junkie, down on my knees  
Can't stand your voice  
I'm a deadboy making noise

Driving you insane  
So get rip of the pain

I'm too, too bad for you  
Don't wanna play your game  
I'm too, too bad for you  
One, two, fuck you!  
I'm too, too bad for you  
Leave you behind me  
I'm too, too bad for you

Damn! You're back, like a heartattack  
Living on the edge  
and my mind is black  
You're all so fine  
But I fuck up all the time

Driving you insane  
So get rip of the pain

I'm too, too bad for you  
Don't wanna play your game

I'm too, too bad for you  
One, two, fuck you!  
I'm too, too bad for you  
Leave you behind me  
I'm too, too bad for you  
One, two, let's go!

Can't stand your voice  
I'm a deadboy making noise

Driving you insane  
So get rip of the pain

I'm too, too bad for you  
Don't wanna play your game  
I'm too, too bad for you  
One, two, fuck you!  
I'm too, too bad for you

I'm too, too bad for you (5x)  
I'm too fuckin' bad for you
