long legged guitar picking  
hypnotized alcoholized  
storytelling heartbroken man  
living in the ruins of a dream  
broken dreams never feel the rain  
running river of desperation  
in my heart no consolation

memories and belives means nothing more to me  
than a ball and a chain inside of my brain  
holding me back from living a life  
i just can't stretch my wings to fly

i am what i am nothing more than a man  
nothing heavenly within my command  
with everything to lose I reach out to you  
would you love a creature like me

i thought i'd trapped the wind  
in my pocket but then she flew away  
i thought that i had an eagles eye  
but now it starts to fade  
would you kiss a monsters cheek  
would you hold a monsters hand  
would you look into my eyes  
and say that you understand
