"Coming Home"

Some say I'm a bit of a fool,
sitting on a hill and counting raindrops.
Keep thinking I just wanna go
to the peaceful place I know,
that I call home.

But oh oh oh it's time to go,
I'll see you, I'll see you soon.

Cause I can't wait for tomorrow
to say the things I wanna say,
your smile will always lead my way.
I can't wait, I'm coming soon,
I just wanna see your face again.

Some say I'm a bit of a fool.
Driving down the road I stop to listen.
I hear your laughter in the trees,
your whisper in the breeze,
my love is you.

But oh oh oh it's time to go,
I'll see you, I'll see you soon.

I can't wait for tomorrow
to say the things I wanna say,
your smile will always lead my way.
I can't wait, I'm coming soon,
I just wanna see your face again.

Cause no one, knows his where or when.
When my time on earth comes to an end,
then I'll find you and I know that you will be my love again.

I can't wait for tomorrow
to say the things I wanna say,

your smile will always lead my way.

I can't wait, I'm coming soon,
I just wanna see your face again,

Cause I can't wait for tomorrow
to say the things I wanna say,
your smile will always lead my way.
I can't wait, I'm coming home to you.
I just wanna see your face again,
I'm coming home.
