Litora, multum ille et terris iactatus et alto  
Vi superum, saevae memorem lunonis ob iram  
Multa quoque et bello passus, dum conderet urbem  
Arma virumque cano, Troiae qui primus ab oris  
Italiam fato profugus Laviniaque venit

All that's known  
In history, in science  
Overthrown  
At school, at home, by blind men

You doubt them  
And soon they bark and hound you  
Till everything you say is just  
Another bad about you

All they say  
Is 'Trust in what is written'  
Wars are made  
And somehow that is wisdom

Thought is suspect  
And money is their idol  
And nothing is okay unless  
It's scripted in their Bible

But I know  
There's so much more to find  
Just in lookin' through myself  
And not at them

Still, I know  
To trust my own true mind  
And to say  
'There's a way through this'

On I go  
To wonder and to learning  
Name the stars  
And know their dark returning

I'm calling

To know the world's true yearning  
The hunger that a child feels  
For everything they're shown

You watch me  
Just watch me  
I'm calling  
And one day all will know

You watch me  
Just watch me  
I'm calling  
I'm calling  
And one day all will know
