[MORITZ]

God, I dreamed there was an angel
Who could hear me through the wall
As I cried out like in Latin,
"This is so not life at all"
Help me out, out of this nightmare
Then I heard her silver call
She said "Just give it time, kid
I come to one and all"

She said give me that hand please
An itch you can't control
Let me teach you how to handle
All the sadness in your soul
Oh we'll work that silver magic
Then we'll aim it at the wall
She said love may make you blind, kid
But I wouldn't mind at all

[ALL]

It's the bitch of living (bitch, just the bitch)
Nothing but your hand (just the bitch, yeah)
Just the bitch of living
As someone you can't stand

[GEORG]

See, each night it's like fantastic
Toss and turning without rest
'cause my days at the piano
With my teacher and her breasts
And the music's, like, the one thing
I can even get at all
And those breasts, I mean god
Please just let those apples fall

[ALL]

It's the bitch of living (bitch, ah ah ah)
With nothing going on (nothing going on)
Just the bitch of living
Asking "What went wrong?"

Do they think we want this?

Oh, who knows?

[ERNST]

See, there's showering at gym class...

[HANSCHEN]

Bobby Mayler, he's the best

Looks so nasty in those khakis

[ERNST]

God, my whole life's like some test

[OTTO]

Then there's Marianna Wheelan

As if she'd return my call

[HANSCHEN]

It's like, just kiss some ass man

Then you can screw 'em all

[MELCHIOR]

It's the bitch of living (it's the bitch of living)

And living in your head (in your head)

It's the bitch of living

And sensing god is dead

[ALL(MELCHIOR)]

It's the bitch of living (you watch me, just watch me)

And trying to get ahead (I'm calling, and one day)

It's the bitch of living

[MORITZ]

Just getting out of bed

[ALL(MELCHIOR)]

It's the bitch of living, living, living (All will know)

Getting what you get (All will know)

Just the bitch of living

[MELCHIOR]

And knowing this is it

[ALL]

God, is this it?

This can't be it...

Oh god, what a bitch.
