There's a part I can't tell
About the dark I know well

You say, "Time for bed now, child"
Mom just smiles that smile
Just like she never saw me
Just like she never saw me

So I leave wantin' just to hide
Knowin' deep inside
You are comin' to me
You are comin' to me

You say all you want is just to kiss goodnight
Then you hold me and you whisper, "Child the Lord
won't mind
It's just you and me
Child you're a beauty"

"God, it's good to lovin', ain't it good tonight
You ain't seen nothin' yet, gonna treat you right
It's just you and me
Child you're a beauty"

I don't scream though I know it's wrong
I just play along
I lie there and breathe
Lie there and breathe

I wanna be strong
I want the world to find out
That you're dreamin' on me
Me and my beauty
Me and my beauty

You say all you want is just to kiss goodnight
Then you hold me and you whisper, "Child the Lord
won't mind
It's just you and me
Child you're a beauty"

"God, it's good to lovin', ain't it good tonight

You ain't seen nothin' yet, gonna treat you right
It's just you and me
Child you're a beauty"

There's a part I can't tell
'Bout the dark I know well
There's a part I can't tell
About the dark I know well

There's a part I can't tell
'Bout the dark I know well
There's a part I can't tell
About the dark I know well
