### "Tied Up"

When I told you I loved you, I didn't mean to hurt you  
When I told you I loved you, I didn't mean to push you  
away

Now I'm tied up.  
Tied up in you

When I told you I need you, Did you expect me to walk  
away  
If I told you, you were the one, would you let me stay?

Now I'm tied up.  
Tied up in you.

When you said "I love you", it didn't seem to hurt you.  
Now I know that you're the one, I won't let it slip away.

Cause now I'm tied up.  
Tied up in you.
