Melchior:

There's a moment you know...you're fucked-
Not an inch more room to self-destruct.
No more move-oh yeah, the dead-end zone.
Man, you just can't call your soul your own.

Otto: [Spoken]

But the thing that makes you really jump is that the
weirdest
shit is still to come. You can ask yourself: "Hey, what
have
I done?" You're just a fly-the little guys, they kill for fun.

Georg:

Man, you're fucked if you just freeze up,
Can't do that thing-that keeping still.

Hanschen:

But, you're fucked if you speak your mind.

Georg, Hanschen & Melchior:

And you know-uh huh-you will.

All:

Yeah, you're fucked all right-and all for spite.
You can kiss your sorry ass good-bye.
Totally fucked-will they mess you up?
Well, you know they're gonna try.

Melchior: [Spoken]

Blah blah blah blah blah blah...

All: [Spoken]

Blah blah blah blah blah blah...

Melchior:

Disappear-yeah, well, you wanna try.
Wanna bundle up into some big-ass lie.
Long enough for them to all just quit.
Long enough for you to get out of it.

All:

Yeah, you're fucked all right-and all for spite
You can kiss your sorry ass good-bye.
Totally fucked-will they mess you up?
Well, you know they're gonna try.

Yeah, you're fucked all right-and all for spite.
You can kiss your sorry ass good-bye.
Totally fucked-will they mess you up?
Well you know they're gonna try.

Blah blah blah blah blah blah blah
Blah blah blah blah blah,
Blah blah blah blah blah blah blah
Blah blah blah blah blah,
Blah blah blah blah blah blah blah
Blah blah blah blah blah,
Blah blah blah blah blah blah blah
Blah blah blah blah blah...

Totally fucked!
