Melchior:

Where I go, when I go there,
No more memory anymore-
Only men on distant ships,
The women with them,
Swimming with them, to shore...

Moritz:

Where I go, when I go there,
No more whispering anymore-
Only hymns upon your lips;
A mystic wisdom,
Rising with them, to shore...

Ernst:

Touch me-just like that.
And that-oh, yeah-
Now, that's heaven.
Now, that I like.
God, that's so nice.
Now lower down,
Where the figs lie...

Moritz: [Spoken]

Still, you must admit,
With the two anatomies,
It truly is daunting.
I mean, how do I know if Iâ€¦

Melchior: [Spoken]

Measure up?

Mortiz: [Spoken]

Not that I'm saying I wouldn't-
I wouldn't want to not-
Wouldn't ever not want toâ€¦

Melchior: [Spoken]

Moritz!

Mortiz: [Spoken]

I have to go!

Melchior: [Spoken]
Moritz, wait!

Otto:
Where I go, when I go there,
No more shadows anymore-
Only men with golden fins;
The rhythm in them,
Rocking with them, to shore...

Georg:
Where I go, when I go there,
No more weeping anymore-
Only in and out your lips,
The broken wishes,
Washing with them, to shore...

Moritz & Melchior:
Touch me-all silent.
Tell me, please, all is forgiven.
Consume my wine.
Consume my mind.
I'll tell you how,
How the winds sigh...

Georg:
Touch me-just try it.
Now, there-that's it-
Oh, God, that's heaven.
Oh, I'll love you right.
We'll wander down
Where the sins cry...

Boys & Girls
Touch me-just like that.
Now lower down,
Where the sins lie.

Love me-just for a bit.
We'll wander down,
Where the winds sigh...

Where the winds sigh...
Where the winds sigh...
