Verse One: Destiny's Child

Boy I know you want me  
I can see it in your eyes  
But you keep on frontin'  
Won't you say what's on your mind  
Cuz each and every time you need me  
You give me signs  
But when I ask you what's the deal  
You hold it all inside

If you wanna be with me  
Ya gotta keep it real  
Tell me what's going on  
Tell me how you feel  
Boy I know you want me  
Just as much as I want you  
So come and get my love  
It's all here for you

Chorus:

You'll be saying no, no, no, no, no  
When it's really yeah, yeah, yeah, yeah, yeah

You'll be saying no, no, no, no, no  
When it's really yeah, yeah, yeah, yeah, yeah  
(Why you frontin' when you know you really want it)

You'll be saying no, no, no, no, no  
When it's really yeah, yeah, yeah, yeah, yeah  
You'll be saying no, no, no, no, no  
When it's really yeah, yeah, yeah, yeah, yeah  
(Why you frontin' when you know you really want it)

#### Verse Two: Destiny's Child

If you keep acting this way  
You're gonna lose my love  
I ain't got no time to play  
You better hurry up  
Cuz every time I come around  
Crews run around your way  
I see ya on the corner  
But you don't know what to say

When I walk up to you baby  
You seem so shy  
What's the problem baby  
Never had a girl like I  
I can see right through you  
And you know you wanna be mine  
So get your act together  
Cuz you're running out of time

#### REPEAT CHORUS

(Don't front, you know you really want it)  
(Is it alright if I play my guitar right here)

#### Bridge:

Everytime I see you with your boys  
You pretend as if you don't want me  
When you get home you call me on the phone  
And tell me how much you care

#### Verse Three: Wyclef Jean

Yo, close your eyes, shorty  
You're guaranteed to be hypnotized  
By the remix that Wyclef provide  
I don't care about your size  
Girl shake your thighs  
All I'm trying to do  
In the hood is stay alive

Make a little money with Destiny's Child  
Thugs hear this song, they dance they go wild  
Like Texas, they movin' like  
No Limit soldiers  
They went from a dream to the  
Young supremes, sing it girls

REPEAT CHORUS UNTIL FADE
