My love! I love you so specially.

Girl!\* I ask: be polite.

Because otherwise I will beat you with my hands,  
Legs, with my head, with elbows, straps, iron pipe.

If you betray me, my love,  
I'll wrest all your dirty hair,  
I'll bite your hand to meat,  
As big mad dog.

If you betray me, my love,  
I'll knock out all your teeth,  
I'll put them into a small box,  
And I'll sob on it.

Baby, give me your phone,  
And I'll read from whom have you got SMS.

I will beat with my hands,  
Legs, with my head, with elbows, straps, iron pipe.

If you betray me, my love,  
I'll wrest all your dirty hair,  
I'll bite your hand to meat,  
As big mad dog.

If you betray me, my love,  
I'll knock out all your teeth,  
I'll put them into a small box,  
And I'll sob on it.
