So you want to be punk rock
Yeah that's right. Are you willing to revolt?
Are you ready to fight?
So you want to be different
From the norm
Are your boots laced up?
Are you in uniform?

Who are the heroes of your revolution
Who are the ones who stand to gain?
Who are the heroes of your revolution?
And will their battles be fought in vain?

So you're anti-corporate.
Yeah that's cool.
All they care about is money.
They don't care about you.
Did you buy all their records.
At the store?

Do you have all the music
Do you wear what they wore?

Who are the heroes of your revolution
Who are the ones who stand to gain?
Who are the heroes of your revolution?
And will their battles be fought in vain?

My hero has a plan.
My hero was willing to die for me.
And I'm willing to die in return.
I've got nothing to lose.
My hero set me free.

What does your cause mean?
Nothing. Nothing.
What does your cause mean now?
Nothing. Nothing at all.
