

## F-Ups, The "Glad That I Lost You"

You wonder why I never think you understand because  
it seems like you're not listening  
I laugh aloud then suddenly I disappear in to another  
place  
I'm glad that I lost you

Glad that I lost you

You push me down but I get right back up off the  
ground  
You'd think you would get it right  
I'm glad that I lost you  
I'll tape my mouth shut or I'll close my mouth and bite  
my tongue  
I bet you wish I could  
Im glad that I lost you

I took your picture from my wall  
Replaced it with a poster of The Dolls  
I play my records loud so I ca'nt hear you when you call
