Bus Bitch Die!

I try to get, to get on the bus  
But there she stands, blocking my way  
Fat and ugly and a pain in the ass  
Why don't you pay!

[Chorus]

BUS BITCH DIE! Get outta my way  
BUS BITCH DIE! You're gonna pay  
BUS BITCH DIE! Get outta my way  
BUS BITCH DIE! You're gonna pay

The only reason for existance  
There can be, can be only one  
Her life is sad, it is for me to take  
Stood in my way for the last time

[Repeat 1st Verse]

[CHORUS]

Bus Bitch Bus Bitch Bus Bitch DIE! [x4]
