Meat snacks and jerky treats  
What's the secret ingredient?  
Meat's meat and a man's gotta eat  
You breathe the gas and we get the laugh

It takes all types of critters  
To make farmer Vincent's fritters  
Visit this tasty place if you dare  
Your vocal chords are slit on command  
Buried up to your neck  
And then force fed  
Seasoned to prepare you  
For his roadside stand

It takes all types of critters  
To make farmer Vincent's fritters

Welcome to Motel Hell  
We'll cook and serve you well

Motel Hell, Motel Hell, Motel Hell  
Motel Hell, Motel Hell, Motel Hell  
Motel Hell, Motel Hell, Motel Hell  
Motel Hell, Motel Hell, Motel Hell  
Motel Hell
