A far hairy bitch who stands in my way
If she died I wouldn't give a fuck anyway
I see her pushing and a shoving
And she's sweaty and she smells bad and she
Takes up too much space I've got to kill her now
[Chorus]
YOU STINK! I should kill
YOU REEK! You should die
YOU STINK! I should kill
YOU REEK! Kill Kill Kill!

[Repeat 1st Verse]

[Chorus]
YOU REEK! You should die
YOU STINK I should kill
YOU REEK! You should die
YOU STINK! Die Die Die!
