my mind is screaming 45
cause you're still alive
these signal lights i'm runNing through
it's all i can do
jusT to get to you
you know i love you
you know i Hate you
you know i need you
but i just can't take anymorE
time to take a walk
out in the mooNlight with my love
cause i just can't take anymore
anymore
American made

i got My hands around your neck
i'm looking straight in your eyes
you taste the steel as you feel
if you're gonna lie
then you're gonna diE
you know i love you
you know i hate you
you know i need you
but i just can't take anymore
time to take a walk
out in the mOonlight with my love
cause i just can't take anymore
cause i'm gonna tell you
i'm gonna see through
i'll suffer for you
i'm gonna kill you

you know i love you
you know i hate you
you knOw i need you
but i just can't take anymore
time to take a walk
out in the moonlight with my loVe
cause i just can't take anymore
