Brother bought a coconut  
He bought it for a dime  
Sister had another one  
She traded for a lime  
She put the lime in the coconut and drank em both up  
She put the lime in the coconut and drank em both up  
She put the lime in the coconut and drank em both up  
And then she call the doctor and woke him up and said  
Doctor  
Oh ain't there nothing I can take  
I said Doctor  
To relieve my bellyache  
I said Doctor  
Oh ain't there nothing I can take  
I said Doctor  
To relieve my bellyache  
You put the lime in the coconut and drink em both up  
You put the lime in the coconut and drink em both up  
You put the lime in the coconut and drink em both  
together  
Put the lime in the coconut and then you feel better  
Brother had a belly filled with  
Sister had a magic potion cause she understood  
She put the lime in the coconut and mix em both up  
She put the lime in the coconut and shake em both up  
She put the lime in the coconut and drink em both up  
And she called the doctor and said "wake your ass up!"  
Doctor  
Oh ain't there nothing I can take  
I said Doctor  
To relieve my bellyache  
I said Doctor  
Oh ain't there nothing I can take  
I said Doctor  
To relieve my bellyache  
I said Doctor  
Oh ain't there nothing I can take  
I said Doctor  
To relieve my bellyache  
I said Doctor  
Oh ain't there nothing I can take  
I said Doctor  
To relieve my bellyache  
I said Doctor  
Oh ain't there nothing I can take  
I said Doctor

To relieve my bellyache  
You put the lime in the coconut and drink em both up  
You put the lime in the coconut and drink em both up  
You put the lime in the coconut and drink em both  
together  
Put the lime in the coconut and then you feel better  
Put the lime in the coconut and drink em both up  
You put the lime in the coconut and call me in the  
morning  
Let me get this straight  
Brother bought a coconut  
He bought it for a dime  
Sister had another one  
She traded for a lime  
She put the lime in the coconut and drank em both up  
She put the lime in the coconut and drank em both up  
She put the lime in the coconut and drank em both up  
She put the lime in the coconut and drank em both up  
She put the lime in the coconut and drank em both up  
She put the lime in the coconut and called the doctor  
Said Doctor  
Oh ain't there nothing I can take  
I said Doctor  
To relieve my bellyache  
I said Doctor  
Oh ain't there nothing I can take  
I said Doctor  
To relieve my bellyache  
You put the lime in the coconut and drink em both up  
You put the lime in the coconut and drink em both up  
You put the lime in the coconut and drink em both  
together  
Put the lime in the coconut and then you feel better  
Put the lime in the coconut and drink em both up  
You put the lime in the coconut and call me in the  
morning  
Don't you feel better now  
Don't you feel better  
Don't you feel better now  
You put the lime in the coconut and drink em both up  
You put the lime in the coconut and drink em both up  
You put the lime in the coconut and drink em both  
together  
Put the lime in the coconut and then you feel better  
You put the lime in the coconut and drink em both up  
You put the lime in the coconut and call me in the  
morning
