Travelling in a fried-out combie,  
On a hippie trail, head full of zombie,  
I met a strange lady, she made me nervous,  
She took me in and gave me breakfast  
And she said,

"Do you come from a land down under? (yeah)  
Where women glow and men plunder?  
Can't you hear, can't you hear the thunder?  
You better run, you better take cover"

Buying bread from a man in Brussels  
He was six foot four and full of muscles  
I said, "Do you speak-a my language?"  
He just smiled and gave me a vegemite sandwich  
And he said,

"I come from a land down under  
Where beer does flow and men chunder  
Can't you hear, can't you hear the thunder? (yeah)  
You better run, you better take cover" yeah

Lying in a den in Bombay  
With a slack jaw, and not much to say  
I said to the man, "Are you trying to tempt me  
Because I come from the land of plenty?"  
And he said,

"Do you come from a land down under? (yeah yeah)  
Where women glow and men plunder?  
Can't you hear, can't you hear the thunder? (yeah)  
You better run, you better take cover"

Living in a land down under (yeah)  
Where women glow and men plunder  
Can't you hear, can't you hear the thunder? (yeah)  
You better run, you better take cover

Living in a land down under (yeah)  
Where women glow and men plunder  
Can't you hear, can't you hear the thunder? (yeah)

You better run, you better take cover (yeah)
