here we go again callin on a good friend
sippin on a ride
pickin up a forty cauSe my mouth's dry
boardwalk hustlers with there cheap talk
tryin to find the time on their tijuana knock offs
hookin up with the b-dub crew
lahiana settin up for A front row view
knokin back laughs and a bottle or two
just a watchin that ass as it rolls on through

life is short soN better have fun
(party like a rockstar kick a little ass)
crack a cold one snap a fat one in the mid day sun
(rock it like a pornstar slap a little ass)
life is short son better have some fun
(party like a rockstar party like a rockstar)
crack a cold one snap a fat one in the so. cal sun
(full blown knucklehead so. cal loco)

liquor like an octane soakin In my membrane
i might be cracked but i still can throw
so out come the dice it's a three bone night
bankin at the table fools still don't know
so i school a little crash course
show'em what they're in for
people Gather round for a ringside view
hypin up the show i shake'em up let'em go
4-5-6 bling bling c-lo

life is short sOn better have some fun
(party like a rockstar kick a little ass)
crack a cold one snap a fat one in the mid day sun
(rock it like a pornstar Slap a little ass)
life is short son better have some fun
(parTy like a rockstar party like a rockstar)
crack a cold one snap a fat on in the so. cal son
(full blown knucklehead so. cal loco)

now i must say that i'm feeling real fine
money in my pocket and girls on my mind
now i'm not talkin bout a true romance
18 double 0 and a table dance

because it's really kind of funny
if you drop a little money
how the ladies start a buzzin
Like a bee does to the honey
it's all about making them hometown laughs
party like a rockstar kick a little ass

life is short son better have some fun
(party like a rockstar kick a little ass)
crack a cold one snap a fat one in the mid day son
(rock it like a pornstar slap a little ass)
life is short son better have some fun
(party like a rockstar party like a rock star)
crack a cold one snap a fat one in the so. cal sun
(full blown knucklehead so. cal loco)
