VERSE 1

It's like you dive in the ocean
It's something over addiction
About the times when you got mad
About the waters from nowhere
Waiting

CHORUS

Play
The autumn has told (4x)

VERSE 2

It's like you're back into your place
It's something over the third base
About the times when you got made
About the orders from nowhere
Waiting

CHORUS

CHORUS 2

It's like a fortress to me and you
You are the solace tired and true
And so believe in foreign height
It's not for everyone
