wanna tell a story bout a girl named sheila  
lovely lil thing but a bit of a dreamer  
shes been married for three long years  
got three children and they're all lil dears  
but  
now shes bored with her married bliss  
so  
she goes out on the town, has a bit of this and that  
guy ment nothing, one night stand  
test turned blue, got much more on her hands

uh-oh, its all gone wrong and (X3)  
ITS ALL GONE WRONG

derek knew she worked at the supermarket  
so while out on a drive decided to go and park it  
down by the river, walked to the store  
never got the courage up2 talk2 her before  
but he'd been up practisin all last night  
plannin what he's gonna say  
makin sure it sounded right  
as he turned the corner by the milk and orange juice  
playin tonsil hockey with the spotty guy from fresh  
produce

..... was a guy that fully understood  
that the car that u drive is an extension of ur manhood  
as u can imagine, never let her down  
entered the equation wen he drove his cadillac around  
pretty damn long pretty damn wide  
2 silver lightenin bolts painted down the side  
imagine his grief, pity his pain  
both broke down one mornin and never started up  
again

played the guitar in his best mates band  
he knew that they'd get far  
all they needed was a helping hand  
when practising one evenin there was a knock at the  
door  
opened up to see a guy noone had ever seen before  
introduced himself as bob the talent scout

handed them a form, told them they should fill it out  
theyre still practisin in fred's backroom  
owe 10 thousand quid, bailiffs will be calling soon

wanna tell a story bout a girl named sheila  
lovely lil thing but a bit of a dreamer  
shes been married for three long ye
