Well I know it's kinda strange,
How quickly things have changed,
But they're better off this way,
And although we're feeling glad,
Gonna say we're feeling sad,
So we don't screw up your day.

[Chorus]

Stab me in the back and said thank you.
Stabbed you straight back and said thank you too.
It feels so good to change.
You stab us in the back and said thank you.
Stab you straight back and said thank you too.
It feels so good to change.

Well it feels so good to change,
That frankly I'm amazed,
That it's taken us so long,
And although we're feeling fine,
Heard it happens all the time,
Where you can't tell right from wrong.

[Chorus]

[Chorus x2]
