(Clap x8)

Come on,

(Clap x8)

Does she walk? Does she talk?
Does she come to please?
My homeroom, homeroom angel
and she?s looking for my seat.

She was your, like snowflakes
No one could stain,
The memory of my angel
Could never cause me pain

Years go by and I?m looking
Through a girly magazine and,
There?s my homeroom angel
On the pages in between.

(Chorus)

My blood runs cold,
My memory has just been sold
My angel is a centrefold
(angel is a centrefold)
My blood runs cold, (woo)
My memory has just been sold
(Angel is a centrefold)

Slip me notes,
Under the desk,
Hours thinking,
About her dress

I was shy, I turned away,
Before she caught my eye
I was shaking in my shoes
whenever she flashed those baby blues.

Something had a hold on me
When angel passed goes by.

Those soft fuzzy sweaters,
Too magical to touch.
To see her in that negligees,
Is really just too much.

(Chorus)
My blood runs cold,
My memory has just been sold
My angel is a centrefold
(angel is a centrefold)
My blood runs cold,
My memory has just been sold
(Angel is a centrefold)

Nah nah na nah nah nah
nah nah nah na nah nah na
(x4)

It's ok I understand
This ain't no never neverland.
I hope when these issues are gone
I will see when your clothes are on.

We'll take your car, yes will,
We'll take your car and drive.
We'll take it to a motel room,
And take 'em off in private

Part of me has just been ripped,
Pages from a mind have stripped.
Ar no I can't diet,
O yeah guess I gotta buy it.

(Chorus)
My blood runs cold,
My memory has just been sold
My angel is a centrefold
(angel is a centrefold)
My blood runs cold, (wooo)
My memory has just been sold
(Angel is a centrefold)

Nah nah na nah nah nah
nah nah nah na nah nah na

All right, all right
1 2 3 4

(Nah nah na nah nah nah
nah nah nah na nah nah na x 11)

My blood runs cold,
My memory has just been sold
My angel is a centrefold
(angel is a centrefold)
My blood runs cold, (o yeah!!)
My memory has just been sold
My angel is a centrefold
(Angel is a centrefold)

(whistle, whistle, whistle)
