You got your mother and your father,  
And they're going round in circles,  
And they know that they should help you,  
But they don't know if you're worth it,  
Cause you said you're never gonna change,  
There's nothing wrong with being a little strange,  
But you're deranged.

[Chorus]

So sing...

Na na na na na

Yeah you're young, yeah you're gifted,

But you're weird.

You got your brother and your sister,  
And they said they're gonna help you,  
Even though they think you're past it,  
But they weren't gonna tell ya,  
Cause they said you're never gonna change,  
There's nothing wrong with being a little bit strange,  
But you're deranged.

You got your mother and your father and  
Your sister and your brother,  
And they're going round in circles,  
But they don't even wanna,  
Cause you said you're never gonna change,  
There's nothing wrong with being a little bit strange,  
But you're deranged.

[Chorus x2]

So you go to work or go to school,  
Try and break most of the rules,  
Put your feet up on the chair,  
No one even seems to care.  
Nothing wrong with wearing clothes,  
Ripped and torn and full of holes,  
You're the one they talk about,  
Always whisper, never shout,  
You've got something that they really want,  
They can't have it, can't get it in a shop,

They think you're weird but  
You know that you rock!

[Chorus x2]
