[SPUNGE] - Kickin' Pigeons

Kicking Pigeons in the park, we had to stop cos' it got dark.

I went home got a guinea pig, that i had stored in my matesfridge.

Grabbed the thing around it's throat, threw it in the bath it didnot float.

Kicking Pigeons in the park.

Kickin Pigeons. Kicking pigeons in the park.

Kickin Pigeons. Kicking pigeons in the park.

Kickin Pigeons. Kicking pigeons in the park.

Do you ever get that feelin that you wanna punch the ceilin.

So you stamp down on the floor cos you can't take it anymore.

In your search for absolution there is only one solution
