Ha, ha, ha, your just a bunch of ametours
This started as a total hobby, now its more of a
lifestyle.
Has been for a long while.
Got ourselves a beat up van. Attacked it with a few
spray cans.
Practised in an unused garage then we moved to a
farm site.
Man, it was a bombsite.
We could come and go whenever we choose.
So we put up with the leaky roof's,
and we sang.

[Chorus]

Na, na na na na na, na na na na na na, na na na na na
na,
na na na na na na.

Line ups been the same since the start,
apart from our bassist. Had 3 replacements.
I think were gonna leave it at that.
Before it gets too spinal tap.
First, place we played was a hall,
and we got a gig somehow. (think its shut down now).
Played to a man and his dog.
But we knew it would be worth the slog, so we sang

[Chorus]

Tried to book a show in any place that would let us play
(Think thats the best way)
People liked the stuff they heard, and they went out
and spread the word.
It feels like the sun is shining, even when its rainin.
You wont hear us complaining.
'Coz were doin what we love to do.
And we know it 'coz of people like you.
Yeah,yeah,yeah,yeah
When you start out with nothing, and then you build it
to something.
Lovin it, lovin it, lovin it, lovin it, Hell yeah!
When you start out with nothing, and then you build it
to something.

Lovin it, lovin it, lovin it, lovin it, Hell yeah!
This is the story so far, cant wait for the next chapter.
This is the story so far, and i know its far from over.
This is the story so far, cant wait for the next chapter.
This is the story so far, and i know its far from over.
This is the story so far, cant wait for the next chapter.
This is the story so far, and i know its far from over.
