Think your life is full of worry,  
Can't do what you want 'cause you haven't got the  
money.  
Well you're more than willing, but you're not able,  
Can't even get the food that you need to sit down at the  
table.

Well you need someone to show you life ain't that bad  
Stop moaning, your whinings driving me mad.  
Well you need someone to show you life ain't that bad  
Stop moaning, your whinings driving me mad.

Think you life is full of mystery,  
But its really dull 'cause you haven't got the history.  
Think you're paupers but you're not,  
Theres plenty of people in this world who'd like the life  
that you got.

Well you need someone to show you life ain't that bad  
Stop moaning, your whinings driving me mad.  
Well you need someone to show you life ain't that bad  
Stop moaning, your whinings driving me mad.  
Go through life being snappy,  
Got everything you wanted but still you can't be happy.  
Always wanting somthing more,  
Won't be happy till there's nothing left to live for.

Well you need someone to show you life ain't that bad  
Stop moaning, your whinings driving me mad.  
Well you need someone to show you life ain't that bad  
Stop moaning, your whinings driving me mad.  
Well you need someone to show you life ain't that bad  
Stop moaning, your whinings driving me mad.
