i will not sell out, i will not give in  
the strangle hold of society  
was bringing me down, but i broke free  
i'm never going back to the way i was  
i've found the truth i was looking for  
holding out for a better deal  
i've seen the Truth, i know it's real  
holding out for a better day  
a new tomorrow, a better way  
i will not conform to the pattern of this world  
instead i will be transformed by the renewing of my  
mind and spirit  
my strength come from God  
who gives me power to bear it  
I'M HOLDING OUT!!
