what does it mean, what do you believe, and how does  
it relate to me  
i don't understand how can i die, be crucified, yet  
be born again  
i try so hard to explain  
your actions have a consequence  
in your life there is a price to pay  
you don't know what it means  
knowledge  
you ask me why life's passing by  
why should you care, why should you try  
i've seen the truth, i can't deny  
the life i have, Christ crucified  
your actions have a consequence  
in your life there is a price to pay  
you don't know what it means  
knowledge
