I'm a sentimental gal.  
I need a fundamental pal.  
I'll depend on you.  
You'll depend on me.  
Speaking psychologically.

We'll both have  
Fundamental friend dependability  
Fundamental friend dependability  
I'll have fun with you  
You'll have fun with me.  
It's fundamental friend dependability.

(Spoken:  
Here, Rex!  
Here, Rex!  
Here! Heel, Rex!  
Heel! Heel, Rex! Heel!)

(Spoken:  
First thing to do with you, Rex, is to bath you.  
I hope you like baths,  
'cause my doggy has to be real clean.  
Okay, Rex? Okay!  
In with you, Rex!)
