He go by woadi and he hit dat yam wit jizz
I aint from china but I ching chong

I leave da function and all da ladies tryna screw me
You just do you and ima do me (all day)
Niggas love my yam so they try to steal it
Bitches be suckin me I think they kinda freaky
I make the party shine bright when I started yammin

My name is woadi!
For da dudes who don't know me

Step up in da club and all these dudes yamming
All da girls jizzin and some of em cumming

I hear da crowd screamin like "aye! get it woadi!"
So I started yammin and I jizzed real low
Dey like "how you da dat?" he can yam it on his toe
And when dat nigga stop they like "yam some mo!"
I'm like a nigga kinda tired so, I pass it to li'mo!
M-bone! (li'moMO) show these cats how to do dat down
south dance
Dat we learned a lil too fast and bought it to da hood
And got da whole crew yam...

[Chorus]

Teach me how to yam
T-teach me how to yam
Teach me how to yam
T-teach me how to yam
All my dudes yammin
All my, all my dudes yammin
All my dudes yammin
You aint finna eat my yam! x2

[Verse 3]

He got his friends so is a two man and
And I run it run it even if her legs long
He like you hubby, I think he love me but,

Cuz, ion give a fuck, blow trees, get money
Me, woadi, hef in the back with playBOY bunnies

And when I asked for some head da dude looked at me
