"Annie Get Your Gun"

She goes for her medical
She's passed, it's a miracle
She's up over the moon
She whistles nonsense tunes

She wants drinks for everyone
She's found a chord that she can strum
Emotions leakin' out
Her paint's all over town

What's that she's playin'?
(Annie get your gun)
What's that she's takin'?
(The song has to be sung)
She's gone electric
(Annie wipe them out)
That's unexpected
(Strum that thing and shout)
Don't pull that trigger
(Annie get your gun)
Don't shoot that singer
(You're shooting number one, number one)

He's not into miracles
Sees life all too cynical
The cat has got his tongue
Now she bangs on his drum

He says, "Pull the other one"
Bells ring, look what you have done
Emotions leakin' out
Her paint's all over town

What's that she's playin'?
(Annie get your gun)
What's that she's takin'?
(The song has to be sung)
She's gone electric
(Annie wipe them out)
That's unexpected
(Strum that thing and shout)
Don't pull that trigger

(Annie get your gun)
Don't shoot that singer
(You're shooting number one)

Get your gun
Get your gun

She's gone electric
(Annie wipe them out)
That's unexpected
(Strum that thing and shout)
Don't pull that trigger
(Annie get your gun)
Don't shoot that singer
(Annie, Annie)
