Get lucky, get jumping, but get smart
Get walking, get loving, but get smart
Get ready, get cooking, get everybody looking
But get smart
Get evil, get nasty, but get smart
*get violent, get bitchin, but get smart
*get ready, get going, it's talking time for showing
But get smart
*you look at me like what to say
*you asking me or what are you playing
I said to you whatever I feel the way
I feel in my heart
So get up and get smart
*get jivey, get supreb, but get smart
Get posing, get playing, but get smart
Get ready, get calling, get everybody going
But get smart
*get buried, get diddely, but get smart
Get hammered, get plastered, but get smart
*get ready, get dressed, get sucking all the rest
But get smart
You look at me like what to say
You asking me or what are you playing
I said to you whatever I feel the way
I feel in my heart
So get up and get smart
Get up and get smart
Get up and get smart
Get up and get smart
Get up and get smart
Get up and get smart
