Did you ever read the words  
That said love would end  
I read them tonight  
Mistakes I can't defend  
I didn't stop to think  
And I upset her  
I've said goodnight tonight  
The last time forever  
I think of her tonight  
She keeps me from my sleep  
But what can I do  
With all of these memories  
I used to be so shy  
And hide my temper  
I've said goodnight tonight  
The last time forever

It all went wrong when I grew jealous  
I didn't realize my strength  
Could take the life of one so precious  
Together we were known as good friends  
Did you ever read the words  
That say I love you  
I read them tonight  
But what good can love do  
I regret what I have done  
It wasn't clever  
I've said goodnight tonight  
The last time forever
