Tears for attention, kisses of corruption  
Tears for attention, kisses of corruption

Tears for attention  
Heard all through the night  
What is it you want from me  
The last seconds of the fight

Kisses of corruption, tempt the spider from his web  
Caught between the white sheets  
That have fallen from your bed

Heart for inspection  
Check the beat against the pain  
The fight that came to break us up  
Puts us back together again

Twitches of excitement  
Give away my secret thoughts  
Love was a book at bedtime  
Now that book has learned to talk

I get tears for attention, kisses of corruption  
With you, with you, with you, with you  
When I'm with you

Tears for attention, dry upon a smiling face  
Apologies and promises  
Bring love back again

Kisses of attachment, lips that touch without a trace  
The idea of conception  
Puts that smile back on my face

I get tears for attention, kisses of corruption  
With you, with you, with you, with you  
When I'm with you

Tears for attention, kisses of affection  
Tears for attention, kisses of affection  
Do when I'm with you  
Oh, I do when I'm with you

I get tears for attention, kisses of corruption  
Tears for attention, kisses of corruption
