Within these walls of without you
I feel naked and without a friend
Love was once there all around you
Now I feel our relationship end
I can't put my finger on a reason
I have no answer to give at all
Within these walls of without you
I sit crying but the tears will not fall

Within these walls a heart broken
And memories of a holiday
The sea leaves my heart so unspoken
With the lights folding up on the waves
I don't think I'll ever have the answer
I have no answer to give at all
Within these walls of without you
I sit crying but the tears will not fall

No unhappy memories are there of you
When I close my eyes I see
An image of your love forever true
But not forever for me

I don't think I'll ever have the answer
I have no answer to give at all
Within these walls of without you
I sit crying but the tears will not fall
