This life is an adventure,
Are you ready to go?
(Yes we're ready to go!)

We're gonna dig down deep.
Do you want to know?
(Yes we want to know!)

It's time to discover
What the bible says.
All the words of life
That are God's promises!

His promise is forever,
It'll never change!
His promise is forever,
Good on any day!

You can't break it!
Or shake it!
But you're gonna
Wanna take it!

On the adventure
That is your life!
God's promise is forever,
This is no lie!

So hold it
And keep it!
'Cause God gives up promises,
For your life!

God's greatest gift,
Is life saving love!
(Life saving love!)

And he keeps on giving,
His love from above!
(Love from above!)

It's time to discover
What the bible says.
All the words of life
That are God's promises!

His promise is forever,
It'll never change!
His promise is forever,
Good on any day!

You can't break it!
Or shake it!
But you're gonna
Wanna take it!

On the adventure
That is your life!
God's promise is forever,
This is no lie!

So hold it
And keep it!
'Cause God gives up promises,
For your life!

God's promise is forever...
(God's promise is forever...)
It'll never change...
(It'll never change...)

God's promise is forever...
(God's promise is forever...)
It'll never change...
(It'll never change...)

God's promise is forever...
(God's promise is forever...)
It'll never change...
(It'll never change...)

His promise is forever,
It'll never change!
His promise is forever,
Good on any day!

You can't break it!
Or shake it!
But you're gonna
Wanna take it!

On the adventure

That is your life!
God's promise is forever,
This is no lie!

So hold it,
And keep it,
'Cause God gives us promises,
For your life!

(Oh, woah, woah)

'Cause God gives us promises,
For your life!
