Hey there, baby
I have gotten some news for you

You think you're something out of sight
To take me out every night
Take me out show me everything
But you won't do the right thing

Baby wants a diamond to have and hold
A diamond ring with a band of gold

Another thing that [Incomprehensible] on my mind

String of pearls are so nice
But it ain't worth a trip to paradise
Your weary romance is much too slow
You gotta give up all of that dough

Baby wants a diamond to have and hold
A diamond ring with a band of gold

Baby wants a diamond to have and hold
A diamond ring with a band of gold
