When I was a lad  
I was a little bit shy  
Something came along  
And caught my eye

When I heard the  
Jazz band strike up  
I swear, I had  
My mind made up

Now, I'm getting older  
And everything is in full swing  
Now, I'm getting bolder  
Boy, you've got to do that thing

Used to walk along  
With the rest  
Got something  
All my own

Oh baby, you've got  
A little something  
That I knew  
Got a little something new  
Got a little something new

Broke away, somehow  
That's why I'm swinging it  
Got my own thing now

Now, children put away your toys  
All your little children's games  
Let the jazz band  
Make some noise

Step up ladies  
And watch out boys  
Mirror on the wall  
Who's the hot band in the hall?

Let everybody sing  
Boy, you've got to do that thing

Used to walk along  
With the rest  
Got something  
All my own

Oh baby, you've got  
A little something  
That I knew  
Got a little something new  
Got a little something new

Broke away, somehow  
Everybody said so  
That's why I'm swinging it
