I've been searchin' all over for someone  
I can tell my troubles to  
Searching all the wide world over  
Is it you?  
Is it you?

Are you the kind of man that marries,  
Then gets his mind on somethin' new  
You've got to let me know, I'm all alone  
Is it you?  
Is it you?  
Is it you, baby?  
Is it you?

I confide in you  
You seem to understand my point of view  
I moan and sigh  
You can't understand why  
Can't understand why  
(Musical Interlude)

I confide in you  
You seem to understand my point of view  
I moan and sigh  
You can't understand why  
Can't understand why

I've been searchin' all over for someone  
I can tell my troubles to  
Searching all the wide world over  
Is it you?  
Is it you?  
Is it you, baby?  
Is it you?
